Merchant Services

America’s First is dedicated to the success of your business. That is why we have partnered with TYSYS® to assist businesses looking to accept credit and debit card payments. We are committed to offering you affordable payment solutions to meet modern consumer demands.

Credit Cards

Offer your customers more payment options by accepting credit cards including Visa®, MasterCard®, American Express®, Discover® and others.

Debit Cards

Personal Identification Number (PIN) and signature based debit transactions have become a popular electronic payment option. Debit payments provide convenience for your customers and offer you faster checkout times and reduced fraud.

Gift Cards

Build your brand and increase your sales with gift cards. Gift cards bring in new customers who tend to spend more than the face value of the gift card.

Electronic Check Conversion

Minimize returned checks by converting a paper check into an electronic purchase at the point of sale. Electronic checks are deposited directly into your account within 48 hours.

Terminals

Accepting cards is easy for you and your customers with America’s First Federal Credit Union Merchant Services’ innovative card acceptance solutions. Whether you need a wireless solution or one integrated with your PC, we have the right equipment for your business.

A dedicated representative will help you select the merchant program suitable for your business style.

Our merchant services can help you reach your goals of decreasing costs, increasing sales and revenue and reducing risk.
