

Details about how the system upgrade may impact you **Sept. 29-Oct. 2**

We're upgrading our internal systems to serve you better now and in the future. During the update:

- Online banking and FlashTalk will be unavailable at close of business Sept. 29 until Oct. 2.
- Debit cards, credit cards and ATM's will remain available 24/7.
- On Friday, Sept. 29, all branches will be open during normal business hours with full account access.
- FlashTalk users will be required to update their pin after upgrade is complete.
